## FACE GLOBAL TRADE WITH CONFIDENCE!

### WHAT WE DO?

GTC wants to help you be a good corporate citizen and practice proper trade compliance. To do that, you need knowledge to protect your shipments and your company against trade violations. GTC provides you with the best training to create your compliance culture with success.

### WHY CHOOSE IN-PERSON?

-  In-person seminars will give you the opportunity to build relationships with people in the same field.
-  Being together in a space can increase your productivity and therefore will even further your knowledge.
-  Our Trade Compliance Experts will help you become motivated with their interactive course strategies.
